

Label the Arteries of the Circulatory System

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
11. _____
12. _____
13. _____
14. _____
15. _____
16. _____
17. _____
18. _____
19. _____
20. _____
21. _____
22. _____
23. _____
24. _____
25. _____
26. _____
27. _____
28. _____

Arteries of the Circulatory System KEY

1. vertebral artery
2. common carotid artery
3. subclavian artery (shoulder)
4. axillary artery (armpit)
5. brachial artery (upper arm)
6. radial artery (lateral forearm)
7. ulnar artery (medial arm)
8. digital arteries
9. external iliac artery
10. median sacral artery
11. deep femoral artery
12. femoral artery
13. popliteal artery (behind knee)
14. anterior tibial artery
15. posterior tibial artery
16. arcuate artery
17. dorsal metatarsal arteries
18. coronary arteries
19. celiac trunk (3 branches): common hepatic, splenic, l. gastric
20. inferior phrenic
21. superior mesenteric
22. suprarenals
23. renals
24. gonadals
25. inferior mesenteric
26. lumbar arteries
27. common iliac artery
28. internal iliac artery
